**Meet Entry Deadline:**

**Meet Entry Procedure:**

Athletes must have met or surpassed the WI YMCA State qualifying times in the previous year – that is from March 14, 2009 in a meet. YMCA teams will create an entry file in Team Manager or other team management software and email it to: [mmiller@wsactld.org](mailto:mmiller@wsactld.org) by the entry deadline. Coaches should have most of their entry complete before Monday, March 15 and then just update their entry after their team races at the "last chance / Sectional meets". Do not mail the entry before Sunday, March 14th. Enter in SCY only.

4 individual events max regardless of how many state times achieved

After the entries are received on Monday, a session report will be created and a Psych Sheet posted on the Schroeder website. Teams will have an opportunity to check over their entries on Tuesday, before a final session report and printable heat sheets are made (.pdfed) and posted by Wednesday evening. No changes will be made after Wednesday morning.

**Relay Entries:**

Qualifying relays may be made by intact or by composite times. However, athletes in either intact or composite relays must be eligible for the current state meet meaning that each member must be age appropriate for the event and current team members. However, they do not have to swim in the State Meet. There is no proof of time – honor system. (Team Manager should be able to help with a relay report with the age up date set correctly) A team may enter a maximum of 3 relays for the state meet per event. Bring relay cards to blocks with the athletes' names. Relay only swimmers must be entered as a part of a relay in order to swim in the meet.

Note:

An athlete's age is determined for the YMCA State Meet as their age on December 1, 2009.
